Two air vents with horizontal slats and sliding levers for adjusting airflow.

A row of five buttons: a hazard light button (red triangle), a power window button, a power lock button, a power unlock button, and a power window button.

A central control panel featuring a digital display screen, two rotary dials for climate control (labeled 'AUTO'), and several touch-sensitive buttons for fan speed, temperature, and defrost functions.

A large multi-function control panel with a central rotary knob, a digital display, and numerous buttons for navigation, media, and vehicle settings. The buttons are labeled with icons and text such as 'SELECT', 'SCAN', 'RADIO', 'MEDIA', 'BACK', 'LIST', 'MENU', 'SETUP', 'REPEAT', 'PRESET', 'DELETE', 'INFO', 'MUSIC TYPE', 'TIME', 'SET', 'LINK', 'SOURCE', and 'MODE'. A USB port is also visible.
